We're excited to present the latest edition of the Satyros Alumni Association newsletter!

Over the past few months local alumni have attended many successful events including the chapter hosted Alumni Dinner in December, the Alumni Meet and Greet rush event with the chapter in February, and a Happy hour in February. In January the chapter held a very successful initiation where they welcomed 4 new brothers into the Satyros chapter. Alumni from every generation of Satyros from founders, to refounders, to recent graduates and not so recent graduates came together were in attendance to support the chapter.

This spring we look forward to the Founders Day Picnic, White Rose, and many more social gatherings. At Founders Day we will be working with the chapter to collect art supplies for a local elementary school. The chapter is busy planning this year's White Rose, so watch your mail and email for invitations!

At recent alumni meetings we have talked about adding another more long term position to our chair positions. The Satyros Alumni Association is looking for someone who is organized and enjoys keeping track of things to keep our database of addresses up to date and in order. If you are interested in being a database chair please come to a meeting or email us at satyrosalumni@gmail.com.

Where are we now?

The Satyr' brings you updates from your fellow Brothers.....

Kat Knudson (Class of 2006), now living in Anaheim, CA, worked at Disneyland for 3 years and is getting ready to move up to WA to get her Masters in Education and her Elementary teaching credentials.

Donald K. Williams (Class of 1969) retired in 2007 from a long career in marketing communications and design, including 17 years heading his own firm, WilliamsCreative. He has since been busy with a top-to-bottom, hands-on townhouse restoration, now nearing completion, and periods of travel. His retirement trips to date have been a backpack walk up England's River Thames to its source in '07 and a drive through the Rockies and down the West Coast in his BMW this past fall.

Send your updates to satyrosalumni@gmail.com to share with your Brothers in the next issue!

Art Supply Drive

Alumnus Shannon Rich and the active chapter are sponsoring a children's art supply drive. We will be collecting supplies at Founders Day. We are looking for everything from crayons to watercolors to construction paper. The art supplies will be donated to Franklin Elementary School in Guadalupe.

APX National Convention

Satyros is headed to St. Louis, MO this spring to join Brothers from all over the country for the 61st Annual National Alpha Rho Chi Convention. The Satyros Convention Scholarship recipient is Mark Knutson (pictured to the right) and below is a thank you from Mark:

I would like to thank the Alumni Association of Alpha Rho Chi for selecting me as this year's recipient of the Alumni Convention Scholarship. Attending the National Convention in St. Louis is an opportunity that will undoubtedly strengthen my ties to the fraternity and to my brothers with whom I will be sharing this experience. I would also like to thank my brothers who have been supportive and encouraging throughout the past school year. I am truly touched by the sense of brotherhood amongst the active members, as well as, the Alumni of our Fraternity. Again, thank you.

Sincerely,
Mark Knutson
Active, Alpha Rho Chi, Satyros Chapter
